## **Ten Years Of War ... *Ten Years Too Many!***

- Over 6,000 young Americans have lost their lives in Iraq and Afghanistan. Hundreds of thousands of Iraqis and Afghans have been killed, their countries destroyed by war.
- The wars in Iraq and Afghanistan have cost us almost one-and-a-half trillion dollars since 2001, money that could have been used to solve urgent problems at home. **The bloated Pentagon budget gets 60 cents of every tax dollar** in the federal discretionary budget while **public schools get just 4 cents.**
- Our economy is sliding into depression with **20 million Americans out of work.**

**End The Wars.**

**Bring All Our Troops Home Now.**

**Bring Our War Dollars Home

Put our country back to work.

Fix our crumbling infrastructure.

Stop the cuts to our schools, hospitals, transit and housing.
