## “INSIDE JOB”

The Academy Award Winning Film  
About the Financial Meltdown of 2008  
How it Happened

**Monday, May 23  
at 7:30 PM**

“Inside Job,” the Academy Award Winning documentary, is the first film to expose the shocking truth behind the global financial meltdown that cost \$20 trillion dollars. Millions of people lost their homes and jobs. Through extensive interviews with major financial insiders, politicians and journalists, the film traces the rise of a rogue industry and unveils the corrosive relationships that have corrupted politics, regulation and academia.
